COLLEGE of AGRICULTURE  
*Narrogin*

# COLLEGE CHRONICLE

**EXCELLENCE AND INNOVATION IN  
AGRICULTURAL EDUCATION AND TRAINING**

*An Independent Public School*

**FRIDAY 12th FEBRUARY 2021**

## PRINCIPAL - Clare Roser

Good afternoon family and friends.

It is with great enthusiasm that I write my first Principal's entry for the College Chronicle. I have been living in the SW for the past three years, working as Principal at Kojonup DHS. Prior to this, I spent two years in an administrator role at Meekatharra DHS. My husband is currently managing a farm in Boscabel and my son is in Year 9 at Kojonup DHS. Next year, they will both join me, living on site at the College. I thoroughly enjoy the country life, having spent the majority of my 33 year teaching career in various rural locations. Hopefully, you were able to read the recent Narrogin Observer article (included in this College Chronicle) where I expressed my passion for Agricultural Education and vision for the College, moving forward. It is evident there is a deep seated sense of pride and ownership of the College from staff and students alike. I am impressed with the College's ability to thoroughly prepare students for post-school opportunities, ensuring all students leave with the knowledge and understanding they will require to step seamlessly into the employment, training or university pathway of their choosing.

I am pleased to welcome staff, students and their families to the 2021 school year and give a special welcome to anyone who is new to the College.

New staff - Christine Emerson, John Parker, Michael Frost, Clare Roser, Leanne Sjollema, Daneille Quinn

Our Year 10 cohort and new Year 11 and 12 students arrived on Friday 29<sup>th</sup> February, with staff commenting on a smooth transition into the residential facility. Remaining residential students joined us on the Sunday, amidst an unexpected emergency announcement from the Premier regarding a recent COVID-19 case. I would like to thank all parents for their understanding and patience as we tried to decipher and act on the information coming through. In complying with

the current directives, staff and students who have returned from restricted regions are required to wear a face mask during the instructional period of the day until 14<sup>th</sup> February. Stage 4 measures still apply to all schools, we will continue to run split meal times and provide additional cleaning and hand sanitiser. Schools are not required to maintain a contact register but all visitors to the College are required to enter and exit through the front office or residential reception area and sign in and out.

We are extremely proud of the 2020 student cohort with 96.8% of eligible students achieving WACE and 100% of WACE eligible students achieving VET Cert II or higher. These results are a reflection of committed students, excellent teachers, outstanding parent support and a great school. Several students were also successful in being awarded scholarships and Industry prizes.

### 2020 WA SCHOOL RANKINGS

### 2020 WA SCHOOL RANKINGS

Again, I welcome all new families and encourage you to be a part of your child's school throughout the year. You can do this in a number of ways including attending P&C meetings, applying to be on the School Board and keeping in touch with your child's educational program by accessing Compass and maintaining a line of communication with teachers.

# College of Agriculture welcomes new boss

EMMA TAYLOR

In welcoming the new school year, WA College of Agriculture — Narrogin has also welcomed new principal Clare Roser.

Coming to the college from Kojonup Senior High School, Ms Roser said it was her passion for agricultural education and her love of the industry that made the job so appealing.

"I see agriculture as being the backbone of the Australian economy, and I'm really passionate about agricultural education across the board. It's an industry that just has so much to offer," she said.

"I am extremely fortunate to have been appointed here."

"It's a wonderful mix of different departments and a really unique setting."

Ms Roser has worked in the education sector for the past 33 years, mostly in regional areas.

Among some Perth postings, Ms Roser has worked 17 years in Jurien Bay, two years in Meekatharra and three years as principal of Kojonup District High School.

With that experience under her belt, she feels she is well equipped to take on the role.

"It's still going to be challenging, but the team here who I've met so far are absolutely wonderful," she said.

"They go above and beyond what they're expected to do, they really care about the kids, and

they really care about each other."

"From a principal's point of view, I'm really fortunate that I've got that because you need a harmonious staff to make a school work."

Ms Roser is only the second female principal in the college's 115-year history.

"Traditionally farming is a man's world so that was a little bit daunting, but I've had nothing but support from everyone here," she said.

"I think it's really exciting having more females in the farming industry and agricultural education, showing girls that it doesn't have to be a male-dominated area."

"There are so many avenues for young people, male and female, that don't necessarily end up in a paddock."

"There are a multitude of other industries and jobs that branch off that traditional agricultural focus, which the college also provides opportunities in."

Ms Roser said that as well as academic achievement, her focus at the college would be ensuring students leave as well-rounded individuals.

"A lot of them will return back to their hometown, and I want them to be able to give back to those communities," she said.

"I want them also to be able to build up resilience and the determination to push through when things are not going as planned."

Clare Roser is the new principal of the WA College of Agriculture Narrogin.

## Narrogin ag college celebrates top marks after challenging year

EMMA TAYLOR

WA College of Agriculture — Narrogin has excelled in 2020 VET and WACE results.

The college was one of only six schools in the State to have 100 per cent of WACE-eligible students achieve VET Certificate II or higher. Joining them was WA College of

Agriculture Harvey and Denmark, along with Warwick Senior High School, Clarkson Community High School and Joseph Banks Secondary School.

The Narrogin college also ranked third out of regional public schools, with 96.8 per cent of eligible students achieving WACE, topped only by WA College of

Agriculture — Cunderdin with 100 per cent and Busselton Senior High School with 98.7 per cent.

Principal Clare Roser said they were very impressive results.

"There is a heck of a lot of wraparound support that goes into getting kids achieving certificates at Narrogin Ag," Ms

Roser said. "There are a lot of counselling that goes into choosing the best pathway for those students."

Roser said. "There are a lot of

both the students and the school's staff for their efforts last year."

"We've got around 130 boarders here who not only have the pressure of getting through their certs or ATAR courses or general courses but they have the added pressure of living away from home," she said.

## DEPUTY PRINCIPAL - Mark Pascoe

Firstly, welcome back to our returning students and a big welcome to all of our new Year 10 and 11 students and their families.

The next few weeks leading up to the long weekend and Wagin

Woolorama are going to be busy. On **Wednesday 24<sup>th</sup> February** the College will have MSP Photography here to do school photos. The students will need to have their formal uniform (grey shirt, maroon tie, black pants and polished black shoes/boots). Then, all students on 'Good Standing' on **Friday 5<sup>th</sup> March** will be able to attend Wagin Woolorama where they will again be required to wear their formal uniform. Can I please have parents and carers check to ensure that their son/daughter has all of the formal uniform and that it is in a good state.

### Unique Student Identifier (USI)

All of our students need a USI number to enable us to enrol and award students qualifications they receive. Thank you to the parents who have created one and emailed in for their son/daughter. I still have 33 students with outstanding numbers. Can parents please organise a USI and email it to me. Also, please get back to me if you are having trouble organising one.

### Chewing Gum

There are an increasing number of issues with chewing gum – students eating in class and gum being walked into carpets etc. From **Monday 15<sup>th</sup> February**, chewing gum will not be welcome at the College. We thank you for your understanding and welcome your support as we make this change.

Despite the lock-down in week one, I have been impressed with the way all students have started at the College. It has been a calm ordered start and it is good to see students getting into their routines. If there are any concerns about students settling in or their courses, please contact us and we will endeavour to direct your inquiry to the correct person.

### Student Vehicles

Once a student passes their driver's licence, they can apply to bring a car to the College. Students and parents must complete an application form, submit it to the Deputy and have it approved **prior** to them bringing a car on site.

The form must be renewed each year and is on the College's website at the following link -

<http://www.narroginag.wa.edu.au/images/pdf/2021%20application%20for%20a%20registered%20student%20vehicle%20at%20the%20college.pdf>

or

under Current Students | Policies/Information/Forms | Application for a Registered Student Vehicle at the College

Having a car onsite is a privilege and to assist parents. Use of vehicles has conditions which are spelt out in the application process. Having a car onsite is also tied to 'Good Standing'; if a student loses 'Good Standing', their car will not be allowed on site until they are back on 'Good Standing'. In 2021, 'Good Standing' will also have attendance tied to it. Students who leave early (particularly Fridays) and return late from leave risk losing 'Good Standing' and therefore their car when their attendance rate falls.

## EX STUDENT'S ACHIEVEMENT

**Katelyn Lansdell** graduated from the College in 2020 and received Australia Day honours at the Shire of Narrogin's Australia Day Citizen of the Year Awards.

Katelyn was awarded the Shire's youth citizen of the year, in recognition of her roles with various school committees and community and sporting events.

*Congratulations Katelyn!*

We love to hear of current and ex students' achievements so please email the details to the College.

## HEAD OF TEACHING AND LEARNING - Leanne Sjollema

This year is off to a great start and it is wonderful to see the enthusiasm and energy exhibited by our students in the class area. Year 10 have adjusted to the longer school days and are enjoying the transition to WACOA Narrogin which is great to hear. Year 12 students have already received their laptops. Both Year 11 and 10 will receive theirs in the coming weeks as these become available.

This year we welcome several new staff to the class area. Ms Danielle Quinn, who comes to us from Katanning. Danielle has an extensive background in a range of industries including Mining and Agriculture and she will undoubtedly be invaluable to the education of the students at the College.

Ms Christine Emerson is an experienced Level 3 teacher, with a background in HASS and English. She is trained in explicit instruction and her expertise is very welcome. She comes to us from Como Secondary College.

### **Class Area Staff 2021**

Miss Leanne Sjollema – Head of Teaching and Learning, Animal Production Systems, Year 10 Science.

Mr Christopher Argaet – Student Engagement Coordinator, English

Miss Amy Corsini – Plant Production Systems

Miss Louise Eastwood – Equine Studies, Animal Production Systems

Ms Christine Emerson – English, Year 10 Health

Mr Sarjit Manez – Maths Applications, Essentials and Year 10 Maths

Ms Danielle Quinn – Maths Essentials and Foundation, Year 10 HASS, Health and PE

Mrs Tania Vogel - Education Assistant, OLNA support

Mrs Lisa Whyte - Education Assistant, OLNA support

### **OLNA**

Diagnostic testing is underway to ensure we have reliable literacy and numeracy data for each student. This data, along with school based assessments and observations will be used to help develop targeted OLNA support plans for each year group. The first round of OLNA is set to commence in week 5 with Writing. *Elevate Education* will be delivering a study skills session to our ATAR students via Webex next Friday 18<sup>th</sup> February. This is designed to build key skills to support our Year 11 and 12 students in their studies.

**"TELL ME AND I FORGET.  
TEACH ME AND I REMEMBER.  
INVOLVE ME AND I LEARN."**

BENJAMIN FRANKLIN

## HEAD OF RESIDENCE - Heather Rae

Hi everyone

Welcome to our new families and welcome back to our old families.

It has been great getting to know our new students and reconnecting with our old and hearing all about their holidays.

The last two weeks have been filled with settling in and getting to know each other. Our Chaplain has been running games evenings with dorms and afterwards they enjoyed a sausage sizzle and ice cream. Thank you Mrs B for organising this event which has been going very well, I'm sure the other dorms are looking forward to their turn.

Over the first weekend our year 10s and new year 11s spent some time with staff getting shown around the College, Narrogin and doing a swimming assessment at the local pool. They also enjoyed some outdoor games, the waterslide and just having some time to settle into their new environment and a pretty good weekend was had by all.

Over the second weekend students enjoyed sewing with Mrs Dartnell, making some bowl cosies for their microwave noodle bowls. They also made some awesome white chocolate caramel squares, which they all loved eating. Unfortunately due to COVID-19 they could not go too far so they enjoyed a town run into Narrogin.

We have had to postpone our Kulin waterslide trip due to the lock downs but hope to get out there this term or in Term 3 or 4.

On the weekend of the 19<sup>th</sup> - 21<sup>st</sup> March we have our annual WACOA Carnival at WACOA Harvey, this is when the five Ag Colleges get together and compete in a weekend of sports. This is a great weekend full of fun and a great way to get to know students from the other Ag Colleges. If you have any queries regarding this please contact me. Interested students can place their name on the form at the duty room.

Students seem to be settling in well with only a few minor issues. I have spoken to all students on the importance of respecting each other's privacy and how you might find something funny, but it does not mean the person it is directed at, will. Also, we had a chat about bullying and just generally annoying others and I would be really grateful if you could support us with this and have a chat with your child about these things. If your child is having any issues please contact us, if we don't know, we cannot help with the situation.

I see that there have been some issues with the REACH system and if you are requiring assistance do not hesitate to contact me.

Have great weekend

Heather

## SCHOOL SYSTEM SUPPORT OFFICER / FINANCE - Jill Norwell

Welcome to a new year at the College.  
Thankyou to those parents who have returned allowance forms and paid school fees.

Could you please review the **Boarding Away From Home Allowance (BAHA)**

forms that were posted home and return the form applicable to your situation as soon as possible so allowances can be applied. The two forms can be accessed at the following link -

<http://www.narroganag.wa.edu.au/images/pdf/2021financeandbooklists/2021%20baha%20agricultural%20college%20special%20subsidy%20application%20form%20-%20wacoa%20narrogan.pdf>

<http://www.narroganag.wa.edu.au/images/pdf/2021financeandbooklists/2021%20wacoa%20narrogan%20baha%20aic%20application%20form.doc.pdf>

Or

[www.narroganag.wa.edu.au](http://www.narroganag.wa.edu.au) / click on link on front page - 2021 STUDENT INFORMATION

Application forms for the **Secondary Assistance Scheme (SAS)** (\$235 Education Program Allowance and \$115 Clothing Allowance) and the **Abstudy Supplement Allowance (ASA)** (\$79 Education Program Allowance) for parents/caregivers holding a Centrelink Healthcare, Pensioner Concession or a Veterans' Affairs Pensioner Card were emailed with the Charges and Contributions information last year. A copy of these forms can be found on the College website at the following links—

**SAS** - <http://www.narroganag.wa.edu.au/images/pdf/2021financeandbooklists/2021%20secondary%20assistance%20scheme.pdf>

**ASA** - <http://www.narroganag.wa.edu.au/images/pdf/2021financeandbooklists/2021%20abstudy%20supplement%20allowance.pdf>

Or

[www.narroganag.wa.edu.au](http://www.narroganag.wa.edu.au) / click on link on front page -2021 STUDENT INFORMATION

An invoice and statement was posted home in January.  
**Please refer to the statement for the closing balance.**

Invoices, statements and receipts will be posted home around every two months, and future invoices will include course charges for Years 11 and 12 and other optional items such as trips and other incidentals.

Payments can be made by direct deposit, EFTPOS, cash, cheque or credit card over the phone.

Our banking details are -

Narrogin Agricultural College (CBA Narrogin)

BSB - 066 522

ACC - 00900281

Please state your student name as the reference.

The annual boarding fee of \$8880.00 has been applied to boarding student accounts in full, however boarding fees can be paid in instalments and are due on the following dates:

- 1<sup>st</sup> Instalment \$2960.00 due now
- 2<sup>nd</sup> Instalment \$2960.00 due 19 April 2021
- 3<sup>rd</sup> Instalment \$2960.00 due 19 July 2021 (*Has been split on the account due to the BAHA component. The Boarding Away From Home Allowance of \$1477.00 will be offset against the 3<sup>rd</sup> Instalment leaving a balance of \$1483.00 to pay.*)

**All other charges are due now.**

For any students claiming Assistance for Isolated Children where the payment is coming to the College, (*as per our preference*) the payments will be deducted off your account. Please provide the Centrelink entitlement statement as soon as possible with the Boarding Away From Home Allowance application form.

Please do not hesitate to contact me if you have any queries [jill.norwell@education.wa.edu.au](mailto:jill.norwell@education.wa.edu.au) or 98819733.

## FIRST DAY FOR NEW STUDENTS

## FIRST DAY FOR NEW STUDENTS

## FIRST DAY FOR NEW STUDENTS

## HEAD OF TRADES - Mitchell Wray

On behalf of the Trades staff welcome back to the parents and students for what is shaping up to be a productive and successful 2021. For the most part the Trades centre will continue to run as normal with a few changes to our policy and procedures, including the new mobile phone policy and some new safety initiatives. We are in a very fortunate position to have all of our existing staff from last year still on board and we welcome Mr John Parker, who comes to us for two days a week assisting our Materials, Design and Technology and Year 10 courses.

The first and second week in the Trades centre always involves the new students being inducted into OHS through the White card training. The White card is a very valuable training session which results in the students gaining a unit of competency but more importantly being able to access construction/ work sites in the future. Approximately 60 students completed this training and assessment.

Materials Design and Technology for some of our Year 11 General students also started this week. This course has only currently run for one year at the College and involves students diving into the details of design processes, environmental impact, manufacturing techniques, safety and self-evaluation. This week the students were handed documents to outline the semester's work, assessment outlines, grade descriptors and assessment 1 part a. The first assessment due in a few weeks prompts the students to research recyclable materials, existing products made from recycled materials and to start design development to construct a birdhouse from recycled materials.

Materials Design and Technology for some of our Year 12 General students continued on this week from last year. The students first assessment will require them to use a design process to discuss existing products and materials to be used under the five design considerations of Limitations, Aesthetics, Cost (monetary/ environmental), Safety and Function.

We would love the parents of all Materials, Design and Technology and Trades students to get on board with the courses through the use of the Connect software. All parents will be added to the classes in the coming week. If any parents/carers are finding the software hard to navigate, please feel free to contact myself at the College.

A reminder that all Trades students must have access to the materials listed on the book list, the majority of the equipment is for the safety of our students. Without access to these resources students will fall behind the rest of their cohort. Again if you are having problems obtaining the required materials, please do not hesitate to contact myself.

## TRADES PHOTOS

## FARM MANAGER - Stephen Madson

The farm is progressing well and our students seem to have settled in and are getting straight down to work.

Most of the new students have undertaken the Farm Safety induction as well as training for getting their on farm students driving licence.

The Angus cattle have begun calving, shearing will commence next week and crop planning and summer weed spraying is all underway.

Mr Ward, Mr Gill, Mr Donaldson and Mr Frantom have all been working at our west 1 paddock upgrading the water supply system from our well.

Last week we began to have some paddocks with water issues in dams but it rained which was helpful.

We received just under 40 mm of rain over the weekend which will now force the need for increased supplementary feeding of our sheep and cattle.

My main priorities at the moment are student rosters and getting all our Year 12s to buckle down to complete training and knowledge components of the farm qualifications.

### CERTIFICATE III

Today I began to put pressure on our Year 12 Certificate III in Agriculture students. Last year I spoke to the students interested in Certificate III and urged them to concentrate on their Certificate II qualification and to complete as many units as possible. Many of these students are well behind on their progress through Certificate II. The Certificate III in Agriculture qualification is very intense and has two main streams, Livestock and Cropping. Each student will be allocated a range of units to complete throughout the year with a focus on their selected stream. Once I speak with all the planned Certificate III students I will contact parents, to inform them of the plan and progress for 2021. Unfortunately some students may struggle. I will endeavour to get these students to concentrate on the required Certificate II completion and then slowly move into whatever Certificate III units we can achieve in the time we have available. If you have any concerns please contact me.

## ON FARM

## ON FARM

## COLLEGE PHOTO DAY - Wednesday 24th February

### SCHOOL PHOTOS INFORMATION

**Students are to be neat and tidy and dressed in the College formal uniform - grey shirt, Maroon tie, black pants and black polished shoes/boots.**

**Class Photos/Portraits:** Every Student will have their photo taken, whether they are purchasing photos or not.

- The school has chosen to use the online ordering system. Your son/daughter has been given an online ordering instruction slip and unique student shootkey.
- Log onto [www.msp.com.au](http://www.msp.com.au) and follow the prompts to place your order.
- If you lose your shootkey the College administration will have a copy to quote back to you.
- The expiry date for online ordering is the **2.03.2021**. Any orders received after this date will incur a \$30.00 archive fee. You can email your order request through to [reorders.perth@msp.com.au](mailto:reorders.perth@msp.com.au) or call our office on 08 9240 8000

**Family Photos:**

- Envelopes can be obtained from Administration.
- Family photos are taken each morning before school.
- Please ensure that your family envelope and payment are handed to the Photographers on photo day.
- If you do not have the correct money we will provide any change needed when photos are delivered to school.
- Family photos **cannot** be ordered online.
- Once school has received photos, family photos will remain at reception for parents to collect.

**Please Note: Individuals and Family Photos are *not* available to view online**

### PREFECT'S NOTICE - Sammantha Perry and Colby Wisewould

Over the next few weeks the students will be given the opportunity to shear on farm. The prefects will also be looking for two Year 10 and two Year 11 students to join the ball committee.

Thanks,

Sammantha and Colby

Hi everyone,

We hope everyone had a good holiday and are ready to get into this year. We welcome all new students starting at the school for 2021.

Due to unfortunate circumstances the Year 12 Leadership Camp has been postponed to Week 8 of this term.

During the week the sport nomination forms for Country Week went out, it is good to see everyone so keen for this, the event is planned to take place in Term 2.

## CHAPLAIN'S CHAT - Sandie Blakiston (Mrs B)

As a new year starts with many new students it can be a time of nerves and apprehension.

Two of our biggest fears are failure and criticism and they never completely go away. You can overcome them, but they'll show up when you face your next challenge. It's in accepting fear as part of life's journey instead of running from it, that you learn to conquer it. Indeed, as you look back at what you've already overcome, you realise that most times failure doesn't do permanent damage—you actually grow stronger through it. Our comfort zone is cosy and familiar, but it's not where growth happens.

An unknown poet wrote: 'I used to have a comfort zone where I knew I couldn't fail; the same four walls of busywork were really more like jail. I longed so much to do the things I'd never done before, but stayed inside my comfort zone and paced the same old floor. I said it didn't matter that I wasn't doing much; I said I didn't care for things like dreams and goals and such. I claimed to be so busy with the things inside my zone, but deep inside I longed for something special of my own. I couldn't let my life go by just watching others win; I held my breath and stepped outside and let the change begin. I took a step, and with new strength I'd never felt before, I waved my comfort zone goodbye, then closed and locked the door. If you are in a comfort zone, afraid to venture out, remember that all winners were at one time filled with doubt.'

Some of the world's greatest people faced the world's greatest challenges, but they overcame them. Novelist Sir Walter Scott was physically disabled. Abraham Lincoln was raised in abject poverty. Franklin Roosevelt was struck down with paralysis. Educator Booker T. Washington, abolitionist Harriet Tubman, singer Marian Anderson and agricultural inventor George Washington Carver were subjected to continual racial discrimination. The incomparable violinist, Itzhak Perlman, was born to parents who survived a Nazi concentration camp and he was paralysed from the waist down at age four. Albert Einstein was called a slow learner, and written off as unable to be educated. Helen Keller was born blind and deaf, yet she graduated college with highest honours and impacted the world. Margaret Thatcher, the UK's first woman Prime Minister, lived upstairs over her father's grocery shop. For a while her childhood home had no running water and no indoor plumbing.

What do these people teach us? That success doesn't depend on our circumstances, but on overcoming our circumstances! This year, be prepared to step out of your comfort zone – and overcome.

## EMPLOYMENT OPPORTUNITIES

### FULL-TIME APPRENTICE FARM MANAGER

We are seeking a full-time apprentice farm manager to join our team. Seeking a young, enthusiastic individual to join our family owned farming business.

Situated 30km NE of Wagin, 250kms SE of Perth. Mixed farming operation, cropping and sheep. Modern machinery and utilising technology in both the cropping and livestock sections of the business.

We aim to train you to have a future in the Ag industry, either to become future management within the business, return to your own operation or branch out into your own ag related venture.

Main roles will include:

- \* Air seeder operation
- \* Chaser bin operation
- \* Machinery servicing and maintenance
- \* Helping out with all livestock husbandry and operations
- \* Fencing and fence maintenance
- \* Harvesting obstacle extraction
- \* Firebreak maintenance

Attitude and willingness to learn will be far more important than experience, however, both will be an extreme advantage. Above award wage paid relative to experience etc. along with late model dual cab, work vehicle and accommodation provided for the right applicant.

Please forward resumé or expression of interest to Clayton South [claytonsouth@bigpond.com](mailto:claytonsouth@bigpond.com)

---

### GENERAL FARM HAND POSITION

San-Mateo Merino & Poll Merino Stud

Permanent Full time general farm hand wanted for farms located in Brookton/Pingelly. We are looking for someone with excellent sheep handling & husbandry skills, but are willing to consider someone who has had a little sheep work/farm experience and is passionate about sheep and willing to learn.

Applicant must be able to work independently, as well as have the right temperament to work as part of a team. Must also be able to time manage effectively and have good common sense. If your phone is more important than your job, this isn't the job for you.

C class Driver's licence is a must. We would prefer a non smoker. Salary is dependent on skill/experience and a farm house would be available.

Please send expressions of interest to [morrison532@bigpond.com](mailto:morrison532@bigpond.com) or call Nigel on 0400515599.

These positions and more are also available to view on the College's website page -  
Click on "Current Students" and then "Student Job Opportunities"
