

Dear Parents/Caregivers,

The College has commenced using a new student management system called Compass. Compass will allow for better management of College operations. Up until now, staff have been familiarising themselves with the system and selected modules.

Compass includes a parent portal which you can access to view your child's profile, submit attendance notes for school absences, and view positive and negative behaviour reports. When staff enter a behaviour report into Compass, parents will be emailed to inform them that a report has been entered.

You will receive a subsequent email from Compass that will contain your unique username and password. To access Compass, please use a web browser (Google Chrome is preferred - <https://www.google.com/chrome>) and navigate to <https://narroginag-wa.compass.education> or click the link from the front page on the College website. Compass also has a mobile device app which can be found from the App Store or Google Play Store by searching "Compass School Manager". Once you have reached the login page on either the web or app version, please use the username and password that will be subsequently sent to your email shortly. Once you have entered the details to login, you will be prompted to set your own password to access Compass.

Although Compass offers similar functionality as Connect, it is ***not*** replacing Connect for teaching and learning for the foreseeable future. It is envisaged that REACH will eventually be retired and replaced with Compass. This will enable a single portal for everything online here at the College.

Videos have been created to assist with accessing Compass. These are linked below.

Compass Web Video - <https://youtu.be/9uZQRousOZ4>

Compass App Video - <https://youtu.be/dXrv9XGZITs>

If you require assistance with accessing Compass or you are experiencing a difficulty with Compass, please contact the College by telephone on 98819700 or by email at Narrogin.WACoA.ICT@education.wa.edu.au

Best Wishes,

Cameron Galsworthy
