

# Assembly/Workshop Fitter

Located in Perth (Welshpool), WA

- Permanent Full-Time and Short-term contract positions available until Christmas

Waringa Distribution is a rapidly growing business that imports, assembles and distributes a range of Agricultural products across Australia and New Zealand. The position will be based at the Waringa Distribution office located in Welshpool. Waringa is a family-owned business and has a great working environment and culture. The company prides itself on providing high quality equipment backed by great service and support. We are currently looking for an energetic, organised, and enthusiastic person to join our team.

## Key Responsibilities

- Work in small teams to assist with unpacking shipping containers, assembly, and preparation of new agricultural machinery for delivery to our dealer network and customers.
- Work to OEM Workshop standards & requirements set by the manufacturer.
- Machine/equipment assembly and testing for sales
- Assist with Warranty repairs and machine upgrades when required

## Skills,

- Ability to prioritise tasks and work safely, within a busy team environment
- Currently hold a forklift licence or could obtain this licence
- Currently hold a C Class driver's licence desirable.
- Experience in the Agriculture Industry desirable

While agriculture experience would be highly regarded, applicants with a warehousing/ distribution background are encouraged to apply.

On offer is a permanent position with a competitive remuneration package. If this role matches your skills, experience, and ambition, please apply on Seek or contact us at [recruitment@waringa.com.au](mailto:recruitment@waringa.com.au)

Your application will include the following questions:

- Do you have mechanical experience?
- Which of the following forklift licences do you have?
- Which of the following statements best describes your right to work in Australia (Permanent Resident/Visa Holder)?
- Do you have a current Australian driver's licence?
- Describe and provide examples of your mechanical experience?
- Are you willing to undergo a pre-employment medical check?
