

## Statement of Boarding Conditions

1. The parent(s) or guardian(s) must pay the College the Residential Boarding Fees as determined by the Department of Education in accordance with timelines set by the College.
2. Residential boarding fees must be paid prior to the first day of the term to which they relate unless a prior arrangement has been approved by the Principal. The Principal may refuse permission for a student to take up residence in semester 2 or the following year if any fees are outstanding or if there is no negotiated payment plan in place.
3. No refund of fees is payable for any period of short term absence by a student from the College. Fee refunds for long term absences should be negotiated with the Principal.
4. The College reserves the right to discipline, suspend or exclude a student from residence if the student's behaviour is:
  - (a) in the Principal's sole discretion unacceptable; or
  - (b) in breach of the College's rules and regulations and any code of behaviour.
5. The parent(s) or guardian(s) are liable for any damage to the College or residence caused by a negligent, reckless or wilful act of a student.
6. The College is responsible for the safety and welfare of students while under its care and control but it is not liable for any illness, injury or death unless it was caused by the negligence of the College.
7. A student is responsible for their own property and any loss or damage to that property unless it was negligently caused by the College.
8. The parent(s) or guardian(s) must ensure the punctual arrival and departure of the student at the start and finish of any period of leave.
9. The student must abide by the College's rules and regulations and any code of behaviour as amended from time to time.
10. In order to ensure the safety and well-being of the student and other students at the College it is expected that the Principal is advised of any serious medical condition and/or social or emotional issues that may impact on the student's life at the College.
11. To assist the College to respond to a student's individual needs, it is recommended that the Principal is advised of any specific learning issues or of any services which the student receives from external agencies.
