

WESTERN AUSTRALIAN  
COLLEGE of AGRICULTURE  
Narrogin

# COLLEGE CHRONICLE

**FRIDAY 5 MAY 2023**

**EXCELLENCE AND INNOVATION IN  
AGRICULTURE EDUCATION AND TRAINING**

*An Independent Public School*

### **New Staff**

I would like to formally welcome Mrs Rebecca Pense to the College. Mrs Pense has filled the permanent role in the mathematics department which was covered by Dr Miller last term. Our English classes are still being covered by Mr Horne, from the Flying Squad, with our permanent teacher arriving ready

for a Term 3 start.

### **Vaping**

With the recent announcement from the federal government to ban recreational vaping and new controls for the importation and packaging of e-cigarettes, I would encourage you to have a conversation with your child regarding the harmful effects of vaping on their health and also the ramifications of being in possession of, selling, or supplying vapes to others. Breaches of our College policy regarding banned items, including vapes, may result in suspension or residential status being reviewed.

### **Country Week**

Training for all Country Week teams is well under-way and the majority of coaches have now listed their teams. Shirts have been ordered, and to clarify, students can wear either design, maroon and white or the new maroon and grey option. Country Week runs from 26<sup>th</sup> June to 30<sup>th</sup> June.

Mr Wray will be sending out further information in the next few weeks.

### **Parent Interviews / Closed Weekend**

The College has scheduled Parent Interviews for Friday 2 June, following a BBQ lunch. Parents will soon receive a communication with instructions on how to book a time slot with your child's teachers.

### **P&C Meeting**

The next P&C meeting will be held on Friday 12<sup>th</sup> May at 2:00pm. This is a great opportunity to get involved with other parents, to help support the College, and improve facilities for the students. Meetings are held in the main office, with afternoon tea provided.

### **Residential/Cleaning and Kitchen Casuals**

We are still looking at compiling a list of people to fill casual roles on our kitchen, cleaning and residential team. If you are interested, please contact the office on (08) 9881 9700.

### **Exams**

The Year 11 and 12 students are preparing for EST's and College exams beginning in Week 3. A number of staff have volunteered their time to run small group tutoring after school. Please encourage your child to utilise study time and internal tutoring sessions to assist them to perform at their best.

### **Welcome Back**

It has certainly been a fresh start to the term weather wise, and it is great to see the students return refreshed after their break. It is certainly going to be a busy term and will no doubt slide by as quickly as term one did. Year 10 students only have this term remaining in their current trades subjects before

switching to the next two areas at the end of the term. Year 11 & 12 students continue in their selected Trades area for the remainder of the year. When you receive this article week, two will have been completed, week one was a short week, week 10 is scheduled for Country Week, leaving 7 weeks for this term. All students need to make sure they utilise their time effectively and efficiently when in their respective Trades areas.

### **Furniture Making**

Training tasks, set projects and personal projects are continuing across all year groups.

Year 10 Students – are continuing to work on their Candy Dispenser, learning the importance of the correct sequencing of the manufacture and construction of the project.

Year 11 Students – are well underway with either their Step Stool or Shaker Table. Following these two projects, the Year 11 students will move on to their personal project.

Year 12 Students – are all continuing with their personal projects. A reminder, the Furniture Workshop is open after school on Monday from 3:00 to 4pm and Tuesday from 3:00 to 5.30pm. Year 12 Students in particular are encouraged to attend these after-school sessions.

Take care, stay safe and have a great weekend!

Welcome back, Everyone! I hope you had a restful and rejuvenating break. As we begin term 2, we need to continue to work hard and stay focused within our areas of study. This term will bring new challenges and opportunities for growth. Let's support each other, be kind and respectful, and make the most of this learning journey together. Term 2 is a

busy and rewarding term. Here's to a successful term ahead!

Term 2 brings in the colder and wetter weather which can be challenging to remain on track and motivated during the winter months. Here are a few tips that might help you remain focused:

- 1) **Keep a Positive Mindset:** Try to focus on the positive aspects of the term ahead, such as new learning opportunities, exciting projects, and the chance to connect with classmates and teachers.
- 2) **Stay Organized:** Use a planner or calendar to keep track of assignments, due dates, and other important events. This can help you stay on top of your work and to avoid feeling overwhelmed.
- 3) **Take Breaks:** It's important to take breaks throughout the day to rest and recharge. You could take a short walk, listen to music, or do a quick meditation to help you refocus.
- 4) **Stay Connected:** Stay in touch with friends and family, even if it's just through phone calls or video chats. This can help you feel less isolated and more motivated.
- 5) **Stay Active:** Exercise can help boost your mood and energy levels, so try to incorporate some physical activity into your daily routine. This could be as simple as taking a walk or doing some stretches.
- 6) Remember that it's normal to feel a bit unmotivated or overwhelmed at times but by taking care of yourself and staying organized you can set yourself up for success this term.

### ESTs and ATAR Exams

Good luck to our Year 12 General students, who are busily preparing for their External Set Tasks (ESTs). Our Year 11 and 12 ATAR students are also working hard to sit their Semester 1 examinations.

### Year 12 Camp

On Wednesday 26 April, the Year 12 cohort embarked on a two-day camp at Mornington Adventure Camp. The purpose of the camp was to develop the cohort's leadership skills, build community, and prepare them for the challenges and opportunities that lie ahead.

The camp was filled with a variety of activities, including team-building challenges, leadership discussion, and outdoor adventures. The students worked extremely well together to

communicate ideas, complete obstacle courses, and overcome fears.

One of the highlights of the camp came through the activities on offer with night-time ziplining, low ropes course, high ropes course, climbing wall and raft building. It was a great opportunity for students to bond with their peers and learn to rely on each other.

Overall, the Year 12 Camp was an incredible experience that brought the students closer together as a cohort and helped them develop their leadership skills. Thank must go to the staff who attended and camp leaders for organising such a meaningful and impactful event. I hope the students took a lot out of the camp and look forward to watching them applying the knowledge to our school community and beyond.

### Country Week 2023

Country Week 2023 planning and training is in full swing! Thank you to all our coaches: Mr Bertuola, Mr Batt, Mr Hough, Mr Hough, Mr Dewing, Mr Pfitzner, Mr Hales, and Mr Madson for running great training programs so far!

Unfortunately, School Sports WA will not allow us to take a second football team (was allowed last year, due to Year 12s missing out previous years due to Covid). However, for students who have missed out on the selection in the A Grade AFL Boys team and for any other male students, we have nominated a Boys Indoor Cricket Team, Boys Basketball Team and Boys Volleyball Team. As an addition for Year 12 students for their last Country Week, we will allow Year 12 helpers to assist in the week's activities running boundary, goal umpiring, scoring at all sports, etc.

The excursion information for Country Week (including an itinerary and what to bring) will be released within the next weeks via Compass, we ask that parents/carers please be prompt with your consent to finalise numbers for the evening activities.

A reminder to all students that Country Week 2023 is a Good Standing only event. Please do not put yourself at risk of not attending and letting yourself and your team mates down.

MONDAY	C/W Training - Basketball (Girls & Boys) College Gymnasium @ 4:00pm
TUESDAY	C/W Training - AFL (Girls & Boys) Clayton Rd Oval/College Oval @ 4:30pm
WEDNESDAY	C/W Training - Hockey (Girls & Boys) Town Turf @ 5:00pm
THURSDAY	C/W Training - Volleyball (girl & Boys) College Gymnasium @ 4:15pm
FRIDAY	No training on Fridays due to end of school week.

Welcome back to Term TWO! Firstly, I would like to welcome Ms Rebecca Pense to the Class staff in the capacity of Mathematics teacher. With years of experience in teaching Mathematics, we are very fortunate to have her join our team permanently.

Class is in full swing this week with the Year 12 students all rigorously preparing for their upcoming exams and Externally Set Tasks (ESTs). While this can be a stressful time for students, the staff have a range of support programs in place to assist students with their study routines and revision. Please encourage your child to access the after-school tutoring sessions that are offered by Class staff, take advantage of prep time where assistance is available from staff on Monday nights, and the study activities on Connect to help them with their preparation. The Year 12 ESTs are occurring week 3 and 4, while Year 12 ATAR exams will commence in week 5. Please see the EST timetables below for information on the upcoming assessments times. If your child is going to be absent for these dates, please contact me to enable us to arrange an

alternate date for your child to sit missed tasks. EST Timetable – students will sit ESTs for each class that they are enrolled in.

After school support has changed this term. The following timetable applies for Term 2:

<b>Monday 3—4pm</b>	<b>Mr Dougall</b>
<b>Monday Prep 7—8pm</b>	<b>Miss Sjollema</b>
<b>Wednesday 3—4pm</b>	<b>Miss Sjollema and Ms Quinn</b>
<b>Thursday 3—4pm</b>	<b>Miss McKenzie and Ms Pense</b>

If you have any queries regarding your child’s progress in any subject, are unable to make Parent Teacher Interviews, or wish to follow up on feedback given in the interim reports prior to the set interview date, then I encourage you to contact the Class teacher. The Class staff are all very approachable and willing to arrange alternate meeting times or phone interviews to discuss any concerns or queries you may have about your child’s progress. We are here to support your child in their education and would like to thank parents that have already been in touch

### UPCOMING ASSESSMENT TIMES

	DATE		SUBJECT
<b>WEEK 3</b>	<b>Thursday 11<sup>th</sup> May Lecture Room</b>	<b>Pd 1</b>	<b>Plant Production Systems Lecture Room</b>
<b>WEEK 4</b>	<b>Monday 15<sup>th</sup> May Lecture Room/C1</b>	<b>Pd 1</b>	<b>Physical Education Lecture Room</b>
		<b>Pd 4</b>	<b>General English EST Lecture Room/C1</b>
		<b>Pd 4</b>	<b>Foundation English C1</b>
	<b>Thursday 18<sup>th</sup> May Lecture Room</b>	<b>Pd 1</b>	<b>General Maths EST Lecture Room</b>
		<b>Pd 1</b>	<b>Foundation Maths C2</b>
<b>Pd 4</b>		<b>Animal Production Lecture Room</b>	

### **Mural Workshop**

This term a mural will be painted near the residential carpark. This wonderful project will be partially funded through a RSE Grant that we received at the end of Term 1.

This week, Georgina Paterson ran a planning workshop with interested students. The twenty students had a fantastic session and had lots of valuable ideas about the artistic style and subject matter of the mural. Georgina will use this information to create some designs for the students to choose from.

Painting will commence in Week 3.

### **Prefect Fundraising**

This year the Prefects have been challenged to think beyond the school community to fundraise for an

organisation. The students have chosen the Royal Flying Doctor Service as their organisation.

The first project was a free dress day at the last Wellbeing Day where they raised money from a gold coin donation from students. The second project will be a Fun Run on Tuesday 6 June. Please keep an eye out for further details over the next few weeks.

## IN RESIDENCE - Cheryl Haydock

Year 12 students Bryce, Riley, Jason, Justin and Mitch cooking a stir-fry.

## SIDE Parent-Teacher Interviews

SIDE will hold Parent-Teacher Interviews for all students in Years K to 12 from 3:30pm to 6:30pm on **Wednesday 10 May 2023**. Schools and families should already have access to the Interim Report for Years 7-12 either through RTP, Connect or a paper copy, which provides some feedback on the students' progress this Term.

Interviews will be of **5 minutes' duration** and will be conducted by phone.

For these interviews we are using the internet-based booking system called Parent Teacher Online (PTO). Using

this system, families will be able to book the interview times that suit them. This system will become available during Week One, Term Two and further information will be sent directly to families shortly with details on how to book times with their child's teachers. Interviews will be available for all students who undertake Subjects/ Courses with SIDE, should families wish to speak to their child's teachers.

## Year 10 Meningococcal School Based Immunisation Program

The Department of Health is offering parents of students in Year 10 the opportunity to have their child vaccinated against Meningococcal ACWY at a clinic they are having at the College on **Tuesday 23 May 2023**.

Attached is the information regarding the vaccination alternatively you can visit the related websites (links provided on the attached fact sheet) for more information about the vaccine offered to your child.

**If you WOULD like your child to be vaccinated** through the School-Based immunisation Program, please complete the attached printable vaccination form. Complete the sections 'Student details' and Parent/Legal guardian details. In the consent section, specify if you would like your child to receive the meningococcal ACWY vaccine by placing a tick mark in the Yes (green) box. Enter your signature and date on the bottom of that box.

**If you do NOT want your child to be vaccinated** through the School-based immunisation Program, please complete the sections 'Student details' and Parent/legal guardian details. In the consent section tick No (red) box on the consent form. Enter your signature and date on the bottom of that box.

We note that all students are vaccinated in school by a nursing team with expertise in immunisation and we thank you for taking the time to review the attached materials.

**Please return the completed forms to the College before Thursday, 11 May 2023 via email to;**  
[narrogin.wacoa.admin@education.wa.edu.au](mailto:narrogin.wacoa.admin@education.wa.edu.au)  
**or as a hard copy to Administration staff in the front office.**

If you have any queries, please contact the College or contact the Program Coordinator Kate Furphy on 0436 612 098 or by email [kate.furphy@health.wa.gov.au](mailto:kate.furphy@health.wa.gov.au).

## Parents and Community (P&C) Meeting

The next P&C Meeting will be held on  
**Friday, 12 May at 2:00pm**

[Click here to download the Meeting Agenda from the College website](#)

## 2023 Harvey Beef Gate 2 Plate Schools Challenge — Louise Eastwood

On Thursday, 23rd of March, two teams of Year 11 and 12 students from our school attended the school challenge at Willyung Farms Feedlot in Albany. The Harvey Beef Gate 2 Plate Schools Challenge is an interschool competition targeted at Year 11 and 12 students. The aim of

the challenge was to provide an opportunity for students to:

- learn about a variety of aspects related to the beef supply chain,
- highlight the many and varied career opportunities that exist within the beef industry, and
- network with experts and representatives from across the supply chain.

At the challenge, the students spent the morning listening to presentations from industry experts in their fields, including vets and feedlot managers, and

had a tour of the feedlot facility. Our students particularly enjoyed the presentation from a famous cattle dog trainer, Neil McDonald, on how to train your dogs to move cattle. He had a range of dogs to show the students the process from puppy to experienced dog.

After the presentations, the students were randomly selected to complete a test on each section, including a practical assessment on moving cattle. The results from each test were collated over lunch for prizes to be presented at the end of the day. Considering our students were up against Year 12 ATAR students from other colleges our teams did exceptionally well. Sarah Beckman, Natalie Bradford and Darcy Bryant-Smith placed second in their quizzes and won medallions.

## 2023 Harvey Beef Gate 2 Plate Schools Challenge — Louise Eastwood

Natalie, Sarah and Darcy.

## ON FARM

Year 11 student Phillip Wiehl operating the JD dozer.

## ON FARM

Stubble burning has been happening now that we

A calf and its mother enjoying the warm sun.  
Lots of calves were born over the school holidays.

The Year 10s have been learning how to utilise low stress handling techniques with cattle.

## The Williams Gateway Expo - Colin Batt

**Congratulations** to our Meat Breed Judging winners at this year's Williams Gateway Expo which was held on 15th of April.

Year 11 student Zaine Cuthbert placed 1st  
Year 12 student Tyson Lansdell placed 2nd  
Year 11 student Jack Shepherd placed 4th

## 2023 COLLEGE BALL

On Thursday, April 6<sup>th</sup>, the College hosted its annual school ball at the Fremantle Sailing Club, and it was a night to remember for the students and staff who attended. The ballroom was filled with bright, colourful decorations that set the perfect tone for this year's ball theme, Neon 90s. More than 160 students and guests attended the event, making it the largest ball that the College has hosted.

Throughout the evening, awards were given out for a variety of categories, including best guests, best male and female in each year group, and best dancers. The top awards of Belle and Beau went to Danielle Evans and Justin Stott, who looked stunning in their elegant outfits. The Cutest Couple award went to Tyson Lansdell and Olivia Draper, who were hit with the camera the most, and Cooper Smith took home the prize for The Best Dancer for showing off his impressive moves on the dance floor.

The Best Dressed awards were presented to Year 10 students Simon Whitehouse and Emma Smith, Year 11 students Brandon Bulpitt and Ella Hackett, and invited guests Declan Phillips and Isabella Da Silva. Congrats!

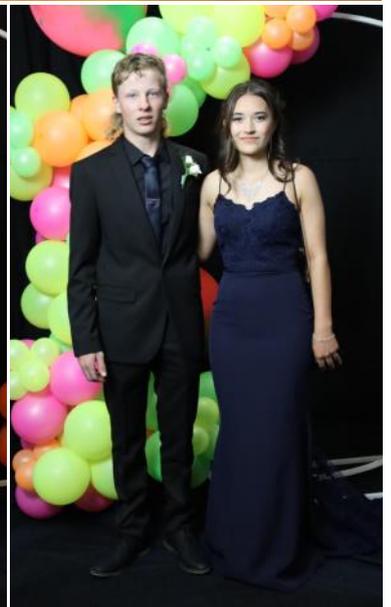

A special thank you goes out to the students who were on the College Ball committee, as well as to all the staff involved in the planning process that made the ball a great success, and thank you to former student Lucy Ward for helping set up at the venue.

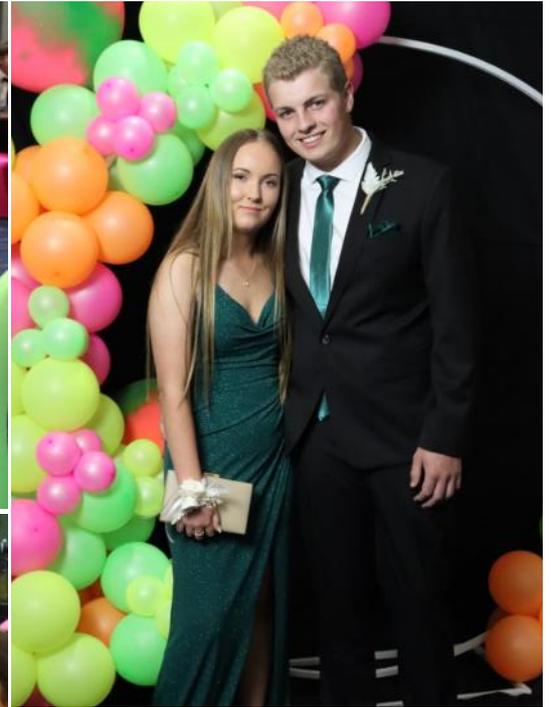

Belle and Beau winners, Danielle and Justin

# 2023 COLLEGE BALL

# NEON 90s

## YEAR 12 CAMP

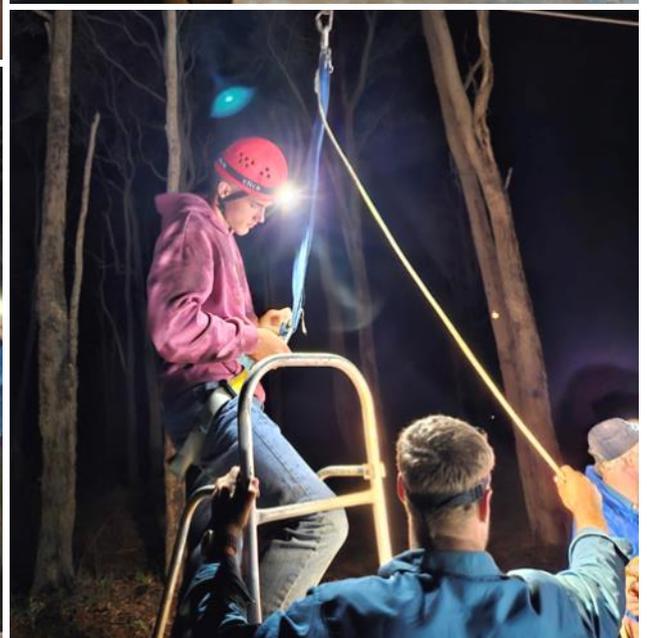

ARRIVAL - Wednesday, 26 April

A great start to Camp with delicious woodfired pizzas around the bonfires with a visit from the camps pet goat Effie.

From there, the students geared up with their head lamps and headed into the jarrah forest. After a short stroll in the forest, students flew down the camp zip line in the dark.

A few stories around the campfire on return to finish the day.

# YEAR 12 CAMP

## YEAR 12 CAMP

### DAY ONE - Thursday, 27 April

The day started with an awesome cooked breakfast then the students were split into two groups for a day of low ropes and high ropes.

Well done to all the students for having a go, with some pushing their fear of heights to the limits on the high ropes, and everyone taking part in various team building activities. All-in-all a great day enjoyed by all the students.

## YEAR 12 CAMP

LAST DAY - Friday, 28 April

After a lovely dinner last night at Lone Star Bunbury and this morning's pancake breakfast, the students were into their last two activities.

Students had a great time raft building/racing and taking on the climbing wall, with some opting for the blindfold option.

We'd like to congratulate the team at Camp Mornington for hosting an excellent and very enjoyable camp.

Thanks to the staff for their time and involvement, making the camp a success.

PROMOTING  
AGRIBUSINESS  
IN AUSTRALIA

Encouraging young Australians to choose a career in agribusiness ...

28 April 2023

Each year, Agribusiness Australia awards a scholarship to encourage young Australians to undertake tertiary education in agriculture.

This year's scholarship will open to receive applications from students in early June.

Students who are studying this year to enter university in 2024 to study an ag degree or a degree where they intend to establish a career in ag, are welcome to apply.

**Prime Super** is sponsoring the scholarship again this year and will announce the winner.

This \$3,000 scholarship is part of Agribusiness Australia's key priority of encouraging students into the sector to ensure that agribusiness continues to be a major contributor to the Australian economy.

Information about how the scholarship has supported past winners can be found on our [website](#), with recent reports from [Ayla Christophers](#) and [Eloise Knox](#).

## Information for parents/guardians about the Year 10 school based immunisation program.

- Year 10 students are eligible to receive the Meningococcal ACWY vaccine at school.
- This program is delivered by nurses experienced in providing vaccinations at schools.
- Information on disease transmission and symptoms of above diseases and vaccination schedule can be found here: [School-based immunisation program \(healthywa.wa.gov.au\)](http://healthywa.wa.gov.au)
- All students require parent/guardian consent before they can receive any vaccinations at school.
- **All parents/guardians are requested to provide consent/declination thorough:**
  - **VaccinateWA (external site), or**
    - the paper-based immunisation consent form provided by their child's school. The completed form must be signed and returned to the school, even if they choose not to have their child immunised.  
**NOTE:** Information in the hard copy consent form will be entered into the VaccinateWA system by school team staff. **You will receive an email from VaccinateWA confirming this.**
- Parents/guardians will receive an email once their child receives a vaccine at school through the VaccinateWA system.
- All vaccines provided will be recorded in the Australian Immunisation Register (AIR).
- Families are advised to see their GP, Aboriginal Medical Service, participating pharmacy or community immunisation clinic if their child misses a dose at school (consultation fees may apply).
- Parents/guardians can check their child's vaccination (up to age 14 years) through the
  - creating their own Medicare online account via [myGov \(external site\)](#)
  - using the [Express Plus Medicare mobile application \(external site\)](#)
  - asking their doctor or immunisation provider
- Students aged 14 years and above are encouraged to create their own MyGov account
  - via [myGov \(external site\)](#)
  - using the [Express Plus Medicare mobile application \(external site\)](#)

Should you require further information regarding this request, please contact Program Coordinator Kate Furphy on 0436612098 or by email [kate.furphy@health.wa.gov.au](mailto:kate.furphy@health.wa.gov.au)

# Year 10 School-based immunisation program – information for parents

## What is meningococcal disease?

Meningococcal disease is an uncommon, but sometimes life-threatening illness. The disease is a result of a bacterial infection of the blood and/or the membranes that line the spinal cord and brain.

Although treatable with antibiotics, the infection can progress very rapidly, so it is important that anyone experiencing symptoms of meningococcal disease seeks medical attention promptly.

At any one time, approximately 10 per cent of healthy people carry meningococcal bacteria harmlessly in their nose or throat, and do not become ill.

## How is meningococcal disease spread?

Meningococcal bacteria are spread by respiratory secretions (coughing, sneezing or kissing). The bacteria do not survive more than a few seconds in the environment.

The disease is most likely to be spread only to very close contacts, such as people who live in the same household, sexual contacts and children attending the same day care for more than four continuous hours.

## Why does WA Health offer a vaccination program for Year 10 students?

Meningococcal disease can affect any age group. However, some of the highest rates of meningococcal carriage and illness occur among adolescents and this age group can transmit bacteria to people who are at an increased risk of infection, including young children.

It is anticipated that immunising Year 10 students will reduce transmission of the bacteria to others and help prevent infections within the larger community.

## Which vaccine will be used and how effective is it?

Meningococcal ACWY vaccine will be used. This vaccine protects against four serogroups of meningococcal bacteria: A, C, W and Y. The vaccine brand Nimenrix® will be used in this school-based program.

These vaccines are safe and effective. Meningococcal ACWY vaccination programs have been implemented in adolescents aged 13–15 years in the UK since 2015 and adolescents aged 11–12 in the US since 2005 with no significant concerns reported. The vaccine is routinely offered as a single dose. Further doses are recommended for those at increased risk of this disease and those travelling where this disease is common. Studies have shown that the effectiveness of the meningococcal ACWY vaccines are between 80–85 per cent in adolescents.

## Who should not get this vaccine?

Tell the person giving the vaccine if:

- **you have any severe, life-threatening allergies.**

If you have had a life-threatening allergic reaction after a previous dose of a meningococcal ACWY vaccine, or if you have a severe allergy to any part of this vaccine, you should not get this vaccine. Your provider can tell you about the vaccine's ingredients.

- **you are pregnant or breastfeeding.**

Meningococcal vaccines are not routinely recommended for pregnant or breastfeeding women but can be given where clinically indicated. Please discuss further with your GP if you could be pregnant or are breastfeeding.

## What are the vaccine side effects?

With any medicine, including vaccines, there is a chance of common adverse reactions. These are usually mild and go away by themselves. Serious reactions are also possible, but are rare. There is a very small chance of a vaccine causing a serious injury or death. You cannot get meningococcal infection from the vaccine.

Common adverse events include pain, redness and swelling at the injection site, fever, irritability, drowsiness, decreased appetite, headaches, rash and nausea. However, serious general adverse events are rare.

Vaccines are continually checked to make sure they are safe and effective. For information about vaccine safety and common and rare side-effects, please read more at: [healthywa.wa.gov.au/immunisation](https://healthywa.wa.gov.au/immunisation)

This document can be made available in alternative formats on request for a person with disability.

## What if there is a serious reaction – what should I look for?

Look for anything that concerns you, such as signs of a severe allergic reaction, very high fever, or unusual behaviour. Signs of a severe allergic reaction can include hives, swelling of the face and throat, difficulty breathing, a fast heartbeat, dizziness, and weakness – usually within a few minutes to a few hours after the vaccination. For any severe reaction, call an ambulance or go to your closest emergency department.

## What should I do?

Paracetamol can help reduce mild fever or pain and a cool damp cloth can also reduce pain at the injection site. Please seek medical advice or go to the local emergency department if you have any reaction you think is serious or unexpected.

Or call **healthdirect Australia** on 1800 022 222.

All immunisation providers in WA are required by law to report an adverse reaction following immunisation. Parents can also report concerns about any serious reactions after immunisation. Learn more at [healthywa.wa.gov.au/WAVSS](https://healthywa.wa.gov.au/WAVSS) or call 6456 0208.

## Further information

If you have any queries about meningococcal vaccinations, contact **healthdirect Australia** on 1800 022 222 or your local provider using the contact details provided on the back of the envelope containing your consent paperwork.

# School-based Immunisation Program 2023

The School-based Immunisation Program provides routine and recommended vaccines to WA high school students for free. Students are eligible to receive the following vaccines in 2023:

Year 7: Diphtheria-tetanus-pertussis (dTpa) and Human papillomavirus (HPV)

Year 10: Meningococcal ACWY (Men ACWY)

Ages 12–18 years old: SARS-CoV-2 (COVID-19)

Please read, sign and return the immunisation consent form to your student's school. Interpreter required: Yes  No

## Child's (dependent's) details. Please fill in this section whether you consent to your child receiving vaccines or not

Child's first name		Does the child identify as Aboriginal and/or Torres Strait Islander descent?	
<input type="text"/>		<input type="checkbox"/> Aboriginal <input type="checkbox"/> Torres Strait Islander <input type="checkbox"/> Both <input type="checkbox"/> Prefer not to say <input type="checkbox"/> Neither

## Consent section – parent/guardian to complete

### General

Has your child ever had a serious reaction or anaphylaxis to any vaccine or medication? Yes  No

Does your child have any severe allergies? Yes  No

Does your child have any long-term medical conditions? Yes  No

Has your child fainted when receiving an injection? Yes  No

Has your child received any other vaccine in the last four weeks? Yes  No

### Additional question for Year 10s only:

Has your child received the Meningococcal ACWY (MenACWY) vaccine in the last 12 months? Yes  No

Note: Your child will need a dose of the MenACWY vaccine even if they received a Men C vaccine as an infant.

### Additional question for COVID-19 vaccinations only:

Note: specific to the administration of Pfizer and Moderna vaccines.

Has your child ever had mastocytosis (a mast cell disorder) which has caused recurrent anaphylaxis? Yes  No

Does your child have a bleeding disorder or are they currently taking any medicine to thin their blood (an anticoagular therapy)? Yes  No

Does your child have a weakened immune system (immunocompromised)? Yes  No

Has your child had COVID-19 infection before? Approximate date of infection \_\_\_\_ / \_\_\_\_ / \_\_\_\_ Yes  No

Has your child been sick with a cough, sore throat, fever or are feeling sick in another way? Yes  No

Has your child been diagnosed with myocarditis and/or pericarditis that is attributed to a previous dose of Pfizer or Moderna COVID-19 vaccine? Yes  No

Has your child had myocarditis, pericarditis or endocarditis within the past three months? Yes  No

Does your child currently have acute rheumatic fever or acute rheumatic heart disease? Yes  No

Does your child have severe heart failure? Yes  No

Is your child pregnant? Yes  No

If yes to any of the above, please provide details: \_\_\_\_\_

• I am authorised to give consent or non-consent for my child to be vaccinated. I have read and understand the information provided about vaccination, including the possible vaccine side effects. I understand I can discuss the risks and benefits of vaccination with my GP or call the school immunisation nurse. Consent provided for the above-mentioned vaccine(s) will remain valid until 31<sup>st</sup> December 2024, and can be withdrawn by contacting the school team.

• I understand I may receive an SMS from WA Health about my child's vaccination experience.

• I understand the information provided on this form will be recorded on relevant State and Commonwealth immunisation registers. It will remain confidential and used to monitor immunisation rates and inform program improvement.

**Please ensure you tick and sign the green boxes for your child to be vaccinated.**

**If you do not want your child to receive a specific vaccine, tick and sign the relevant red box.**
