## 2024 Application for a student vehicle at the College

*A motor vehicle at the College is a privilege not a right. Motor vehicles are permitted on campus for the parent's convenience, and are not to be used by students for unauthorised leave. Day students may bring a vehicle on site to assist with daily travel to and from the College.*

***Any breach of these conditions may result in removal of the vehicle.***

I \_\_\_\_\_ wish to apply for permission for my son/daughter  
(Parent/Guardian print name)

\_\_\_\_\_ to bring a vehicle to the College and agree to the following.  
(Student Name)

- This permission form must be completed prior to the vehicle coming on site.
- Students are only permitted to have a vehicle on site whilst they are on 'Good Standing'. In the event of them losing 'Good Standing', they will not be permitted to have any vehicle on site until they return to 'Good Standing'.
- Parents must ensure vehicles are roadworthy and licensed. It is suggested students hold at least third party car insurance in the event that they are responsible for damage to property belonging to others.
- The vehicle is for day student travel, weekend leave and holiday travel and then only with the express permission of the Deputy Principal and parents (Trips to town, etc., are NOT permitted unless for extenuating circumstances).
- No other student is to travel in the vehicle unless written approval is received from the passenger's parent and the driver's parent.
- Luggage is to be packed and unpacked in the car park immediately adjacent the residential duty room.
- Cars must be parked in the areas set aside for student parking.
- Keys to be handed to the Duty Supervisor who will lock them in the Duty Room.
- No spare vehicle keys will be kept by the student at the College.
- Day students will hand their keys into the front office on arrival once parked.

- Students will abide by all staff directions, road rules, signage and drive in a manner appropriate to the location whilst on College property.
- College reserves the right to inspect vehicles and luggage on return for prohibited substances/objects. This inspection will be carried out by a member of Senior Staff at the discretion of the Principal or Deputy Principal.
- The Principal will use discretionary powers where it is considered necessary to amend the vehicle policy.
